## Town of Rocky Hill Transfer Station Closing and Bulk Waste Pick up Suspended

To Rocky Hill Residents and Businesses:

Due to this public health crisis relating to the Coronavirus (COVID-19), and to protect town employees and town residents' health, the Town of Rocky Hill Transfer Station located at 59 Old Forge Road will be closed to the general public starting **Saturday, March 21, 2020 at 1:00PM**. In addition, the Town has suspended Bulky Waste Pick up effective at the close of business **Friday, March 20, 2020**.

NOTE: Trash Away trash collection and recycling pick up will continue as scheduled.

Again, the following are well known recommendations on how to avoid the COVID-19 virus:

Wash hands for 20 seconds - after using restroom, before eating, after blowing nose, coughing or sneezing, between client/patient visits.

If soap and water are not readily available, use an alcohol-based hand sanitizer with 60%-95% alcohol.

Avoid touching your eyes, nose, and mouth with unwashed hands.

Cough or sneeze into your elbow or use a tissue to cover your nose and mouth, then throw the tissue into the trash can.

Avoid crowds. Stay at home as much as possible.

Thank you and look forward to having things back to normal soon,

John Mehr - Town Manager, Rocky Hill
