MEUI LOCAL 506**

PREAMBLE

This Agreement is made and entered into effective the first day of July, 2021, by and between the Town of Rocky Hill (hereinafter referred to as “Town”, and the Municipal Employees Union “Independent” Local 506, SEIU (hereinafter referred to as “Union” or “MEUI”).

ARTICLE 1 – RECOGNITION

Section 1. * The Town recognizes the Union as the sole and exclusive bargaining agent for the purposes of collective bargaining on matters of wages, hours and other conditions of employment as stated in the Municipal Employees Relations Act for the positions whose job titles/job classifications were placed within the confines of the supervisory bargaining unit certified as appropriate by the Connecticut State Board of Labor Relations, namely:

1. Assistant Assessor
2. Building Official
3. Economic Development Director
4. Field Operations and Highway Superintendent
5. Fire Marshal
6. IT Technician – General
7. IT Technician – Systems
8. Recreation Supervisor
9. Recreation / Aquatics Supervisor
10. Senior Services Coordinator
11. Tax Collector
12. Town Assessor
13. Town Engineer
14. Town Planner / ZEO
15. Treasurer / Accounting Manager
16. Web and Media Communications Coordinator
17. Youth & Family Services Coordinator

Section 2. As used in this Agreement, the term “employee” or “employees” denotes an employee or group of employees who is a member of the above-described certified bargaining unit: the word “Town” means the Town of Rocky Hill, acting through its Town Council or Town Manager or his/her designee; the word “Union” or “MEUI” means the Municipal Employees Union Independent, the labor organization certified as bargaining agent in case number ME-20, 226.

*The parties recognize and agree that the bargaining unit, as originally certified in case ME-20,226, also included the positions of Assistant Recycling Coordinator, Early Childhood Development Coordinator, Human Services Coordinator, IT Technical Assistant, and Recreation Superintendent, which positions were subsequently eliminated due to an administrative restructuring. It is agreed, however, that should any or all of these positions be reinstated by the Town in the future, the positions shall be included in this bargaining unit.

ARTICLE 2 – NON-DISCRIMINATION

Section 1. As provided by applicable state and federal anti-discrimination statutes, no one subject to the terms of this Agreement shall engage in acts of unlawful discrimination on the basis of protected class status as defined by the Connecticut Fair Employment Practices Act (C.G.S. § 46a-60).

Section 2. The rights of all parties as provided under the Municipal Employee Relations Act, as enforced by the State Board of Labor Relations, are hereby acknowledged by all persons and parties subject to this Agreement.

ARTICLE 3 – UNION SECURITY, UNION RIGHTS, AND MANAGEMENT RIGHTS

Section 1. The Union shall designate and make known to the Town one employee to act as Union Steward and two (2) employees to act as alternate union stewards in the absence of the Steward. The Town will deal with the Union Steward (or the outside Union Staff Representative, as the case may be) in the processing of grievances and other aspects of contract administration.

Section 2. During the term of this contract or any extension thereof, all employees in the bargaining unit as defined in Article 1 shall, from the effective date of this contract, or within thirty (30) days from the date of their initial start of employment with the Town in a bargaining unit position, as a condition of employment, either become and remain members of the Union in good standing or, in lieu of Union membership, pay to the Union a service fee. The amount of service fee shall not exceed the minimum applicable dues paid to the Union by Union members.

Section 3. The Town agrees to deduct from the pay of the bargaining unit members such membership dues, initiation fees, service fees, or reinstatement of service fees as may be fixed by the Union. Such deductions shall continue for the duration of this Agreement or any extension thereof.

Section 4. The Union shall supply to the Town written notice at least thirty (30) days prior to the effective date of any change in rates of fees and dues. In addition, the Union shall furnish the Town with a statement signed by the employee authorizing the Town to make dues deductions. Service fees shall be deducted automatically by the Town from employees who choose not to join the Union.

Section 5. The deduction of Union fees and dues or service fees for any month shall be made on a bi-weekly basis during the applicable month and shall be remitted to the financial officer of the Union monthly. The monthly dues and/or service fee remittance to the Union will be accompanied by a list of names of employees from whose wages dues or service fee deductions have been made.

Section 6. No dues or fees will be deducted from an employee who has exhausted accumulated sick leave or other paid leave benefits and who is therefore on unpaid leave.

Section 7. The Town agrees to provide space on a bulletin board in each building under its supervision in which a member of the bargaining unit works. The bulletin board space shall be for Union information only.

Section 8. The Union agrees to indemnify and hold the Town harmless against any and all claims, demands, suits or other forms of liability that shall or may arise out of, or by reason of, action taken by the Town for the purpose of compliance with the Union security/membership/fee provisions of this Article.

Section 9. The outside Union Staff Representative shall be permitted to visit any employee in the bargaining unit at his/her work location for the purpose of grievance processing and other legitimate Union business matters, provided that the Town is notified in advance of the visit and that there is no unreasonable interference with or interruption of work output and job performance. Any steward who is released from his/her work assignment to fulfill his/her duties as a representative of the Union, shall lose no pay or benefits.

Section 10. When collective bargaining meetings are, by agreement of the parties, scheduled to take place during regular working hours, up to three (3) members of the bargaining unit shall be permitted to participate without loss of pay.

Section 11. Unless expressly and specifically relinquished, abridged or limited by a specific provision of this Agreement, and whether exercised or not, the rights, powers and authority heretofore held by the Town, pursuant to any charter, general or special statute, ordinance, regulations, agreements regarding reorganization, or other lawful provision, over the complete operations, practices procedures and regulations with respect to employees of the Town, shall remain solely and exclusively in the Town. Such rights and responsibilities are inherent in the Town by virtue of statutory and Charter provisions and the terms of this Agreement; consequently, actions with respect to such rights and responsibilities are not subject to review, except those specifically abridged or modified by a specific provision of this Agreement, shall not be subject to the grievance and arbitration provisions of this Agreement.

Section 12. The Town shall provide each member of the bargaining unit a copy of this contract within ten (10) days of its signing. Likewise, the Town agrees to provide a copy of this

contract and the name of the Union Steward or Staff Representative to all bargaining unit members within one week of their date of initial hire.

ARTICLE 4 – PRIOR RIGHTS AND BENEFITS

Section 1. This Agreement sets forth the wages, hours, and working conditions of employees in the bargaining unit, provided that employees shall continue to enjoy any past benefits universally applied to them prior to this contract, which benefits were not reduced to writing.

ARTICLE 5 – BARGAINING UNIT WORK

Section 1. The Town and the Union agree to be bound by the rulings, requirements and guidelines set forth in decisions of the Connecticut State Board of Labor Relations (SBLR) as to whether or not the Town may contract or subcontract bargaining unit work during the term of this agreement.

ARTICLE 6 – SENIORITY

Section 1. Seniority is defined as “continuous, unbroken service with the Town.” The employee’s earned seniority shall not be lost because of absence due to approved or legally mandated family leave, medical leave, bereavement leave, jury duty, personal leave, or authorized leave, or while on layoff status for up to two (2) calendar years and eligible for recall. Seniority and seniority rights will not be accrued during approved unpaid leaves of absence or layoff for up to two (2) calendar years, but such rights will not be lost by the employee because of such leave.

- a. New employees in the bargaining unit shall be considered probationary during their first 180 days of employment. During such probationary period, the employee shall not attain seniority rights under this Agreement, and such probationary employee will be subject to discharge without notice for any reason by the Town without access to the grievance procedure.
- b. Following the termination of a probationary employee, the employee shall be entitled to a conference with a town representative if requested by the employee and/or the Union within ten (10) working days.
- c. At the successful completion of the probationary period, seniority shall be retroactive to date of hire.

Section 2. An employee shall lose his/her seniority if he/she (a) quits, resigns or is discharged; (b) exceeds an approved leave of absence without satisfactory explanation; (c) fails to return from a layoff within twelve (12) working days after date of notice to return by mail; or (d) is laid off and not recalled within two calendar years from the effective date of the layoff.

ARTICLE 7 – VACANCIES

Section 1. Except in emergency situations, employees will be made aware, through posting or advertising, at least one week in advance of a bargaining unit vacancy to be filled or a new unit position which has been created so that each employee who is interested will have the opportunity to apply for said opening(s). Vacancies will be advertised both inside and outside the bargaining unit. Appointment to bargaining unit positions and promotions within the bargaining unit shall be made by merit upon competitive application and examination in accordance with the merit plan for the Town of Rocky Hill as provided under Town Charter and Personnel Rules and, as such, shall not be subject to collective bargaining except as provided by law.

Section 2. If the Town Manager or Town Council appoints a bargaining unit member to temporarily fill a higher paid unit position for more than thirty (30) consecutive days, then the temporary appointee shall begin to receive the higher rate of pay starting with the thirty first (31st) day and forward into the future for the duration of the temporary appointment.

ARTICLE 8 – LAYOFF AND RECALL

Section 1. In the event that the Town determines that there is a need for a reduction in the number of employees in the bargaining unit, the Town shall first determine the number, and position description(s) to be affected. Then, the least senior employee in each affected position(s) shall be selected for layoff.

Section 2. The employee(s) thus identified for layoff shall be notified of his/her identification for said layoff and shall then be given an opportunity to exercise bumping rights by bumping a less senior employee in the bargaining unit in another unit job, provided that the more senior staff member is qualified. The employee who is thus “bumped” shall be laid off, and there shall be no bumping cycles deeper than one “bump” per layoff. Any temporary, federally funded employees and probationary employees in a position identified for layoff shall be laid off first before non-probationary employees in the position.

- a. No employee in a layoff situation shall be permitted to bump into a position of higher pay than that held at time of notification of identification for layoff. It shall be the employee’s obligation to advise the Town, in writing, of any change of address during the recall period.

Section 3. No person shall be hired into the bargaining unit until all qualified persons subject to recall have either been offered reemployment or declined such reemployment offer. Any employees who decline an offer of reemployment after recall or who fail to respond to a recall notice, shall forfeit all recall rights. If a person on recall fails to respond to a letter notifying the employee of recall opportunity within twelve (12) working days of the date of the letter, the employee shall lose all recall rights.

Section 4. Laid off employees whose names are on the recall list will be given consideration for opportunities to work for the Town in bargaining unit, temporary, part-time, or seasonal employment as such employment opportunities may from time to time exist.

Section 5. Recall rights shall expire and any employment relationship cease after two (2) years from the effective date of the layoff has elapsed.

Section 6. Within two (2) weeks after the Town Manager receives written notice of action by the Town Council determining that a reduction in force in the bargaining unit is necessary, the Town shall notify the Union of the impending reduction in force and agree to meet with the Union on request to review the reduction in force situation including a discussion of possible alternatives.

Section 7. Bargaining unit members assigned to positions which are eliminated by the Town Council as part of a reduction in force shall be given at least four (4) weeks' notice prior to the effective date of the layoff, provided this shall not apply to employees who are bumped in connection with a reduction in force. Notice shall be deemed to be given when the Town either notifies the employee whose position is being eliminated or the Union.

ARTICLE 9 – HOURS OF WORK

Section 1. The regular base work week for full-time employees other than the Fire Marshal shall be thirty-five (35) hours, and the regular base workday shall be seven (7) hours work with a one (1) hour lunch break. The Fire Marshal will work a forty (40) hour workweek with an eight (8) hour work day with a one (1) hour lunch break. Normal hours of work for full-time employees shall be from 8:30 a.m. to 4:30 p.m., normal hours for the Fire Marshal shall be from 7:00 a.m. to 4:00 p.m. The Field Operations and Highway Superintendent will work a thirty-five (35) hour work week with a one (1) hour lunch break. Normal hours for the Field Operations and Highway Superintendent will conform to the hours of work for the Highway Department and will be from 6:30 a.m. to 2:30 p.m. This shall not be construed as a guarantee of any minimum number of available hours or a limitation of any maximum number of hours which must be worked. Overtime payment or compensatory time shall not be provided. It is agreed that the nature of Town work, service to the public, requires attendance at evening and weekend meetings, and interaction with members of the public outside of normal business hours which do not qualify as overtime hours.

Section 2. Based upon the needs of members of the public served by unit members, the Town may from time to time establish special work hours and assign employees to them (Example: Human Services will work from 1:00 p.m. to 9:00 p.m. each Thursday from Labor Day to Memorial Day).

Section 3. Employees and their direct supervisors, by mutual agreement, may develop alternative work schedule arrangements, while continuing to ensure members work the total

number of weekly hours set forth in this collective bargaining agreement. Direct supervisors are accountable for securing the prior written approval of the Town Manager for arrangements that extend beyond twenty (20) business days (long-term arrangements).

Such arrangements are only available if the supervisor determines it to be reasonable, such as allowing a member to:

- Arrive earlier and leave earlier;
- Arrive later and leave later; or
- Arrive later or leave earlier on the day that follows a particularly long evening work-related event.

Alternative work schedule arrangements must not negatively impact the member's work, office coverage, customer service, the work of other employees, or overall business continuity, productivity, and quality. Such arrangements are not intended to enable unorthodox or impractical work schedules (i.e. working weekends instead of two weekdays or working a full work week within a four-day period each week, etc.).

Alternative work schedule arrangements may be adjusted or revoked by management at any time, with two weeks' notice to the member where possible. The employee may also request to discontinue an approved arrangement.

ARTICLE 10 – JOB DESCRIPTIONS

Section 1. The Town may create or revise job descriptions, subject to a duty to bargain with the Union over the impact of the changes on the bargaining unit.

Section 2. The Union may request that the Town review and/or revise a job description, and the Town agrees to consider any such request in good faith.

Section 3. All job descriptions must be approved by the Rocky Hill Town Council.

ARTICLE 11 - PERSONNEL RECORDS

Section 1. Each employee shall have the right to see and review his/her personnel file upon request by appointment with the Director of Human Resources, Town Manager or his/her designee. The Town shall provide copies of all materials in the file upon request of the employee with no charge for the first twenty-five (25) pages.

Section 2. The Union may have access to any employee's records upon presentation of written authorization by the appropriate employee.

Section 3. No negative or derogatory material shall be placed in an employee's personnel file without notice to the employee. At any time, an employee may file a written rebuttal to such materials. An employee may file a grievance objecting to any negative or derogatory material placed in his/her personnel file.

Section 4. All employment records shall be retained in accordance with the State of Connecticut's Records Retention Schedule.

ARTICLE 12 - SICK LEAVE

Section 1. Sick leave with pay shall be granted to all full-time, permanent and probationary employees at the rate of one and one half (1 1/2) workdays for each full month worked. Sick leave shall not be considered as a privilege which an employee may use at his/her discretion but shall be allowed only in case of actual sickness, disability of the employee, or at the discretion of the supervisor, in the case of sickness in the immediate family requiring the employee's attendance upon the ill family member, medical and dental appointments, or quarantine restrictions.

Section 2. Continued abuse of sick leave privilege shall be considered sufficient cause for suspension or dismissal. To receive compensation while absent on sick leave, the employee shall notify his/her supervisor, prior to the time set for beginning his/her daily duties, as may be specified by the supervisor. Failure to notify to supervisor prior to within one half (1/2) hour of the employee's starting time, may subject the employee to disciplinary action.

Section 3. When absence is for more than three (3) workdays, the employee may be requested to obtain a physician's certificate. Where a certificate is required and is not presented, at the discretion of the supervisor, such absence may be applied to the balance of any approved leave, to leave without pay, or may be grounds for disciplinary action. A request for a sick leave form must be filled out immediately upon the employee's return to work. When sick leave abuse is suspected, a doctor's certification may be required for all absences.

Section 4. Sick leave shall be recorded regularly in the personnel records, and the Town Manager and or his/her designee shall review all such records periodically. Sick leave pay shall supplement weekly accident and sickness payments made under the Town's insurance program so that the employee receives his/her full pay and not full pay plus accident and sickness payment. The employee's sick leave account will be charged on a pro-rata basis (percentage of total payment represented by sick leave).

Section 5. Effective July 1, 2008 the maximum accumulation of sick leave will not exceed two hundred (200) days which counts towards unused sick leave payouts for all eligible employees who have not yet attained the maximum accumulation at the time of the contract. More than two hundred (200) days may be accumulated to be used in conjunction with FMLA and short-term disability but will not be included in any unused sick leave payouts.

Section 6. Unused Leave Payments: A separating employee shall receive full payment for all earned but unused vacation leave. In addition, employees separating from the Town service in good standing shall be entitled to a payment for unused sick leave (up to a maximum of 200 days) per the below schedule:

- For separation after 20 years of service – 60% of time accrued
- For separation after 10 years of service – 40% of time accrued
- For separation after 5 years of service – 20% of time accrued

Additionally, with regard to the above schedule, those employees *who may have already exceeded the maximum accumulation* as referred to in Section 5 above, shall be entitled to a payment for unused sick leave greater than the maximum 200 days in accordance with the above schedule.

These allowances do not extend the separation date.

Employees hired after July 1, 2014 shall not be eligible for the benefit outlined in Section 6 above.

ARTICLE 13 - VACATION LEAVE

Section 1. An employee shall be entitled to one (1) week (five (5) working days) of vacation leave after six (6) months of service.

Section 2. Employees with one (1) year of service shall be entitled to ten (10) days of vacation leave. Upon completion of one (1) year of service, an employee shall be granted vacation leave as follows:

<u>Upon Completion of:</u>	<u>Employee Granted:</u>
2 nd year	11 days
3 rd year	12 days
4 th year	13 days
5 th & 6 th year	15 days
7 th & 8 th year	16 days
9 th year	17 days
10 th , 11 th , 12 th year	18 days
13 th & 14 th year	19 days
15 th year	20 days

Section 3. Earned vacation must be taken during the calendar year and generally shall not accrue from year to year. However, an employee may carry-over a maximum of ten (10) vacation days without prior approval of management, from one calendar year to September 30th of the following year. Vacation time in excess of ten (10) days shall be forfeited if not used by

September 30th of the following year. Requests to carry-over more than ten (10) vacation days must be submitted in writing to an employee's respective supervisor and the Town Manager for review and written approval, if the department work schedule positively precludes taking the vacation within the calendar year.

Section 4. An employee, who on December 31st of the preceding year was continuously and actively employed for twelve (12) months, will be entitled to his/her full vacation leave as of January 1st. Requests for vacations must be submitted to the employee's supervisor at least one (1) week in advance of the starting date. Vacation leave requests must be approved by the Director or his/her designee. In the event of any conflict on dates when vacation leave is requested, seniority shall govern priority. Vacation leave shall be scheduled within a department so service is not adversely affected. Vacation schedules shall be determined by the employee's supervisor.

Section 5. An employee who works less than six (6) months shall not be entitled to a vacation, or vacation pay, upon separation. For full-time employees who have worked longer than six (6) months, accumulated vacation will be paid upon separation.

Section 6. Additional salary in lieu of vacation will not be paid to an employee, since the purpose of a vacation is rest and relaxation.

Section 7. Vacation Leave, Professional Staff (for employees hired prior to July 1, 2014): In addition to receiving the annual leave noted in Section 2, Town Hall Professional Staff will receive additional annual leave as follows:

- a. Staff people with one (1) through nine (9) years of service shall be entitled to two (2) additional annual leave (vacation) days;
- b. Staff people with ten (10) years of service and above shall be entitled to four (4) additional annual leave (vacation) days.

Section 8. No more than two (2) weeks' vacation may be used at any one time without prior written permission from the Director or his/her designee. Requests for vacation beyond two (2) weeks at any one time will only be granted for extenuating circumstances and will not be granted if deemed detrimental to the operation of the employee's department. Requests not filed for extended vacation leave in a timely manner will be automatically rejected. The Town reserves the right to limit the number of employees on vacation at any given time, but within these limitations seniority shall govern.

ARTICLE 14 - PERSONAL LEAVE

Section 1. Personal Leave: Each employee shall receive up to five (5) days of personal leave upon completion of his/her probationary period.

ARTICLE 15 – MILITARY LEAVE

Section 1. Military Leave: Military leave not to exceed fifteen (15) business days annually shall be granted to full-time permanent employees when required to serve on active duty, reserve or National Guard duty, and the employee’s regular salary shall be continued provided the employee signs over military pay to the Town. In the case of a permanent full-time employee who is a member of any military reserve unit or National Guard being called to duty because of a national emergency, the Town shall pay the excess, if any, of that employee’s base pay at the time of the call to duty over the total compensation received for military service. The employee may purchase Town health insurance, if desired, if not covered by the military. The employee must provide the Town with copies of pay stubs showing his/her or her military service pay. The employee will not continue to receive this benefit if he/she does not return to his/her Town job within fifteen (15) business days after National emergency or orders have ended or is released from the military. The employee will not lose any seniority but no additional benefits will be earned. In the event of death, this benefit will cease immediately. This shall be for a period of the emergency only.

This shall apply to all full-time Town employees who work regular 35/40-hour work weeks.

Payment under this benefit shall be made on a monthly basis.

This is in addition to any State or Federal regulation.

ARTICLE 16 - LEAVE BALANCE INFORMATION

Section 1. The Town shall notify employees of their leave balances annually as of January 1.

ARTICLE 17 - HOLIDAYS

Section 1. Employees shall be granted time off with pay for the twelve (12) holidays listed below:

1. New Year’s Day
2. Martin Luther King Day
3. President’s Day
4. Good Friday
5. Memorial Day
6. Independence Day
7. Labor Day
8. Columbus Day

9. Thanksgiving Day
10. Day after Thanksgiving
11. Day Before or Day After Christmas; OR one-half (1/2) Day Before Christmas and one-half (1/2) Day New Year's Eve; OR as part of a four (4) day weekend should Independence Day fall on a Tuesday or Thursday (at the Town Manager's discretion).
12. Christmas Day

When a holiday falls on Saturday, the preceding Friday shall be the day off; when a holiday falls on Sunday, the following Monday shall be the day off.

Section 2. Probationary employees shall be eligible for paid holidays.

Section 3. Employees shall not be paid for holidays unless they work the last day prior to the holiday and the next work day after the holiday, unless such employees are on approved leave, or unless they are excused from the requirement by the Director after making a request in advance of the holiday.

ARTICLE 18 - GRIEVANCE PROCEDURE

Section 1. The purpose of this Grievance Procedure in this contract is to resolve, at the lowest possible administrative level, any and all contract grievances which arise during the term of this contract. A grievance is defined as “a written complaint involving an alleged violation of or dispute involving the application or interpretation of a specific provision of this Agreement or of a provision incorporated by reference.”

Section 2. Time Limits and Procedures

- a. Grievances shall be filed on mutually agreed forms which specify: 1) facts; 2) the issue; 3) date of alleged violation; 4) contract section violated; and 5) the remedy or relief sought;
- b. A grievance may be amended up to and including Step 2 of the grievance procedure so long as the factual basis of the complaint is not materially altered;
- c. Whenever “days” are used in this Article, it shall mean “working days,” excluding holidays and weekends.

Section 3. Time Limits: If a grievance is not filed in writing within thirty (30) working days after the grievant knows or should have known of the act or conditions on which the grievance is based, then the grievance shall be considered to have been waived. If the Union requests information regarding a possible grievance and does so within the time limit provided for in this

agreement, the Union shall have ten (10) days from the Town's response to the request to file a grievance.

The time limits specified within this Article, except for the initial filing of a grievance, may be extended by mutual agreement of the Union and the Town, provided that if a grievance is not submitted to a higher step in the grievance procedure in a timely manner, it shall be deemed settled on the basis of the answer of the Town representative at the last step considered. Failure by a representative of the Town to render his/her decision within the specified time limits shall be deemed to be a denial of the grievance and the grievance shall proceed to the next level.

Section 4. Step 1 - Immediate Supervisor

If an employee feels that he/she may have a grievance, he/she, together with the Union Steward may discuss the matter with his/her supervisor, in an effort to resolve the problem informally. If unable to do so, and if the grievance is to be pursued, it shall be reduced to writing and submitted to the immediate supervisor within seven (7) days after the above informal meeting. The supervisor shall reply within five (5) days to the steward, with a copy to the Union.

Section 5. Step 2 - Town Manager

If no satisfactory resolution arises, the grievance may be submitted to the Town Manager within five (5) working days after the issuance of the decision at Step 1. The Town Manager shall meet with the grievant to discuss the grievance and shall answer the grievance within ten (10) working days following the meeting.

Section 6. Step 3 - Mediation

If the grievance is not resolved following the Town Manager's level, either party may submit the matter to a mediator appointed by the Connecticut State Board of Mediation and Arbitration for the purpose of helping to resolve the grievance. A mediation request must be filed in writing within ten (10) days after receipt of the Town Manager's response and a copy of the request must be sent to the other party.

Section 7. In disciplinary cases involving the dismissal or suspension without pay of an employee, the grievance procedure shall begin directly at Step 2, at the level of the Town Manager.

Section 8. Step 4 - Arbitration

If a grievance has still not been settled, it may be submitted at the request of the Union only, to arbitration. The submission of the grievance shall state the provisions of the contract allegedly violated and the remedy sought by the Union. The written request for arbitration must be filed in writing with the Connecticut State Board of Mediation and Arbitration, not less than ten (10) days after the conclusion of the mediation session under Step 3 if mediation occurs and, if no mediation occurs, within twenty (20) days following the Town Manager's response under Step 2.

Section 9. The arbitrator or arbitration panel designated shall hear and decide only one grievance at a time and their award shall be final and finding as provided by law. The arbitrator shall be bound by and must comply with all the terms of this agreement and shall have no power to add to, subtract from, or in any way modify the provision of this agreement. Any costs of arbitration shall be borne equally by both parties.

Section 10. Nothing in this Article shall preclude an arbitrator or panel from ruling on both the arbitrability and the merits of the case or shall preclude the Town and the Union from combining two or more grievances together for a hearing before the same arbitrator, provided both the Town and the Union must agree in writing before more than one case can be heard at a time.

ARTICLE 19 - INSURANCE

Section 1. Introduction: This article and summaries included in the APPENDICES describe insurance benefits. It is agreed and understood by the parties that the insurance descriptions contained in this Agreement and APPENDICES are descriptive only and are not insurance policies. All questions or issues concerning insurance coverage and related matters shall be determined by reference to the actual insurance policy documents issued or possessed by the insurers.
