(Rev. 06/2020)

The following statement of declination of the Hepatitis B vaccine must be signed by an employee who:

- Chooses **not** to accept the vaccine.
- Has had appropriate training regarding hepatitis B, hepatitis B vaccination, the efficacy, safety, method of administration and benefits of vaccination, given free of charge to the employee.

I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring hepatitis B virus (HBV) infection.

I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time.

I understand that by declining this vaccine I continue to be at risk of acquiring hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no charge to me.
