Adopted October 16, 2017

Chapter 176 of the Rocky Hill Code of Ordinances is repealed in its entirety and the following is adopted in lieu thereof:

Chapter 176 . Rocky Hill Housing Standards

Article I. General Provisions

§176-1 Legislative Authority

This article is enacted pursuant to the provisions of Connecticut General Statutes Chapter 833A, General Statutes §§7-148(7)(A), 7-148 (H)(xi), 47a-6a, 47a-6b, 7-148 and the Town of Rocky Hill Charter.

§176-2 Purpose

The Town Council of the Town of Rocky Hill finds that there have occurred numerous incidents of persons renting a residential dwelling in conditions that are unsafe or unsanitary, overcrowded, and denied the quiet enjoyment of the use thereof, or that the use by the persons renting the property has been maintained so as to create a public nuisance, disturbance or hazard, and the Town has been unable to quickly identify and contact the nonresident owner of the property or the agent in charge and to order a remedy of the unsafe or unsanitary condition. The Town Council also finds that the identification and knowledge of the whereabouts of nonresident owners of residential housing units in the Town of Rocky Hill is in the best interests of the community and will promote the public welfare, health and safety of the people of Rocky Hill. Accordingly, pursuant to the authority granted to municipalities by Connecticut General Statutes Chapter 833A, 47a-6a, 47a-6b, 47a-54a and 7-148(7)(A) and 7-148(H)(xi), and of that authority granted the Town Council by the Town of Rocky Hill Charter, the Town of Rocky Hill seeks to better protect, preserve and promote the health, safety, welfare and quality of life of its people by requiring resident and nonresident owners of residential rental housing units as that term is defined herein to comply with this ordinance. Following its adoption by the Town Council, this ordinance shall become effective on thirty (30) days after publication in a newspaper having circulation in this town.

Article V. Provisions for Rental Units

§ 176-37. Certificate of compliance required

No owner, agent or person in charge of a dwelling or dwelling unit offered for rent shall allow any person to occupy the same as a tenant or lessee or for a valuable consideration unless he holds a valid certificate of compliance issued by the Town Manager or his or her designee for the specific dwelling or dwelling unit. Every certificate of compliance shall expire at the end of two years following the date of issuance unless the unit is rated as "exceeds standards," in which case the certificate of compliance expires five years following date of issuance. The "exceeds standards" category rating is based upon the unit receiving an "exceeds standards" overall rating in the three critical inspection categories of exterior, dwelling unit and landlord cooperation.

§ 176-38. Conditions for issuance of certificates

Upon request of the owner, agent or other person authorized to rent a dwelling unit (hereinafter referred to as the "applicant"), the Town Manager or Enforcement Official will be available at an appointed time, agreed upon by himself and the applicant, or later if the applicant requests, to inspect such dwelling or dwelling unit. If such inspection establishes that the dwelling or dwelling unit is in substantial compliance with the Housing Code, he shall issue a certificate of compliance for said dwelling or dwelling unit. One copy of the certificate of compliance shall be handed to or sent to the applicant; a second copy shall be posted by the owner or his designated agent in a conspicuous location inside the dwelling or dwelling unit for the information of the tenant and shall not be removed by or at the direction of anyone other than the tenant; and a third copy shall be kept on file in the files of the Zoning Enforcement Officer.

§ 176-39. Reinspections

If said dwelling or dwelling unit does not comply with the Housing Code standards, the Town Manager or Enforcement Official shall furnish the applicant with a written list of the specific violations which would have to be corrected before a certificate of compliance could be issued for the dwelling or dwelling unit. Upon the representation of the applicant that the listed violations have been corrected, the Town Manager or Enforcement Official shall reinspect said dwelling or dwelling unit and issue a certificate of compliance or a list of violations, as above provided.

§ 176-40. Waiver pending correction

Any applicant who is delayed in correcting violations necessary to entitle him to a certificate of compliance and who has a valid contract in writing with a person for the performance of the work may petition the Town Manager or the Enforcement Officer in writing for a temporary waiver of compliance with no fee being required. The petition shall contain the information therein which is

reasonably necessary for a decision and shall include a written and signed statement by the person under contract to correct the violation, specifying the date of beginning and completion of the work. If the Town Manager or the Enforcement Officer shall find that the delay in the correction of the violation is reasonable, taking into consideration the availability of persons to do the work and the current work load, and that the work can reasonably be undertaken and completed while the premises are occupied or that appropriate provision has been made for housing the tenant elsewhere during the necessary period when the dwelling or dwelling unit will not be habitable because of the work of correcting the Housing Code violation, the Town Manager or the Enforcement Officer shall issue a temporary waiver of compliance, not to exceed ninety (90) days, expiring on that date that is 90 days from the issuance of the waiver. The applicant shall, on or before that said date, request a reinspection. The Town Manager the Enforcement Officer shall reinspect the dwelling or dwelling unit and issue the certificate of compliance or list any remaining violations as above provided.

§ 176-41. Appeals

Any applicant who deems himself aggrieved by the decision of the Town Manager or the Enforcement Officer may, by written request to the Hearing Officer pursuant to §176-49 et seq. and without payment of a fee, have the entire matter heard by it on his/her original petition. After hearing the applicant, his witnesses, his counsel, if any, the Town Manager or Enforcement Official and any witnesses he may produce and his counsel, if any, the Hearing Officer shall, if it shall find the existence of all the required prerequisites to the granting of a temporary waiver of compliance by the Town Manager or Enforcement Official, direct him to issue such a waiver.

§ 176-42. Penalties for offenses

Any owner, agent or other authorized persons who shall let for occupancy any dwelling or dwelling unit in the Town of Rocky Hill who does not hold a valid certificate of compliance from the Town Manager the Enforcement Officer, may upon conviction, be punishable by a fine of not more than \$100 for each and every day that such violation continues.

§ 176-43. Exceptions to requirements

The provisions of this article shall not apply to the letting for occupancy of any dwelling or dwelling unit that is new construction for a period of 10 years; that has undergone total renovation for a period of 10 years; that has undergone substantial restoration for a period of seven years; or to any dwelling unit which was inspected under the provisions of this section within two years of the date of letting.

Any dwelling or dwelling unit condemned as unfit for human habitation and so designated and placarded by the Building Official shall be vacated within a reasonable time as ordered by the Building Official.

§ 176-46. Conditions upon which building may be reoccupied

No dwelling or dwelling unit which has been condemned and placarded as unfit for human habitation shall again be used for human habitation until a written approval is secured from, and such placard is removed by, the Building Official. The Building Official shall remove such placard whenever the defect or defects upon which the condemnation and placarding were based have been eliminated.

§ 176-47. Defacing or removing placards prohibited

No person shall deface or remove the placard from any dwelling or dwelling unit which has been condemned as unfit for human habitation and placarded as such.
